What is Confirmation?

“A person is incorporated into the universal church, the body of Christ, through the sacrament of baptism. When an infant or very young child is baptized, the baptismal promises are made by one or more parents and/or sponsors. These adult Christians assume certain responsibilities for the Christian nurture of the baptized child. Those who consent to this ministry of nurture are members in good standing of a Christian church in order that they may honor their promises fully. The entire congregation also assumes the role of sponsors as its members promise to provide a supportive Christian community in which a child may grow in awareness and understanding concerning the meaning of life in Christ.

As a child who was baptized in infancy approaches adolescence, the local church offers that person the opportunity to give public assent to the baptismal promises. Confirmation celebrates this occasion of affirmation of baptism in the life of the individual and of the local church.

Before a service of confirmation is scheduled, the appropriate leaders of the local church shall be satisfied that the participants have been instructed properly in the Christian faith and personally desire to affirm their baptism . . . ” *The Book of Worship United Church of Christ, p 145.*

WELCOME TO CONFIRMATION

Welcome to our newly designed on-line and confirmation course. Based on conversations with church families we learned that while there is a desire for a confirmation course at First Congregational UCC (FCUCC), there are concerns about the ability of 21st century families and youth to commit to a traditional course with months of non-church day meetings and classes. So rather than not hold confirmation, we re-thought confirmation and decided to try a model similar to on-line education, where some of the work takes place in the brick and mortar building, and some of it can be done at home at the student’s own pace. Consequently the plan is to provide: a mixture of lay and clergy classes during Sunday school; time with the pastor; involvement in worship; exposure to experiences of God in other places; exposure to justice issues; community service work; home study; and connections with an adult mentor.

The FCUCC Confirmation Course is meant to be both challenging and fun while providing opportunities for fellowship, connections with adults and clergy, and education about God, the Bible, Church history, Christian values and the Christian faith. In short, this is an opportunity for teenagers to participate in a new uniquely designed confirmation class which allows a combination of at church, at home and out in the community activities to add up to completion of confirmation as each teen and their family’s schedules permit.

What we’ve done is create a list of fifteen areas of assignment which any youth in grade 8 to 12 may sign up and commit to satisfactorily complete. A youth studying for confirmation is called a “confirmand.” Each confirmand and their parent/guardian must sign the “Commitment to be a Confirmand” page at the end of the booklet, tear it out and provide it to the pastor. All assignments need to be performed after the pastor receives the signed “Commitment to be a Confirmand.” Each confirmand will be assigned an adult mentor for help, guidance and a new adult connection in the community and for a minimum of five meetings. Confirmands and parents/guardians are responsible for accurately keeping track of progress through the program, making sure all forms and requirements are satisfactorily completed to the pastor’s satisfaction before a confirmand is invited to a meeting with the Diaconate and a confirmation ceremony.

As the parent/guardian of the above named youth I hereby approve of her/his being in
confirmation class and related activities. I have read the confirmation requirements and I commit
to helping my youth meet, track and report those requirements. I understand they require time at
home and church and out in the community. I understand that confirmation may not occur
